SALVO APPROVAZIONE DELLA CASA

Tutti gli ordini sono assunti salvo approvazione definitiva della cassa. Qualunque impegno si intende assunto salvo impedimenti per cause di forza maggiore. La merce viaggia sempre a rischio e pericolo del committente anche se venduta franco destino. - I termini di consegna comunque indicati sono approssimativi e senza impegno alcuno, ritardi eventuali non implicano diritto ad indennizzi o interessi se non espressamente convenuti. - Non verranno presi in considerazione reclami di alcun genere se non presentati per iscritto entro 8 gg. dal ricevimento della merce. Quando i reclami riguardano inadempimenti o difetti di materiali o lavorazione, palesi ed occulti realmente esistenti e da noi riconosciuti, a noi incomberà soltanto l'obbligo della semplice sostituzione (nel minor tempo possibile) della merce riconosciuta non corrispondente ai patti intercorsi, purché ci venga restituita e non abbia comunque subito alcuna manomissione o lavorazione. - I pagamenti si dovranno fare al nostro domicilio entro il termine di scadenza stabilito. Il ritardo nel pagamento della fattura, anche se parziale, dà luogo ad immediata decadenza degli interessi di mora al tasso normale di banca (per scoperto di c/c) maggiorato della commissione di massimo scoperto. In caso di inadempienza ci riserviamo il diritto di ogni altra azione, e così di pretendere il pagamento anticipato per i restanti ns. crediti e di ritenere risolto ogni contratto in corso troncando la loro esecuzione senza che il cliente possa avanzare pretese di compensi e indennizzi. Tutti i materiali venduti rimangono di ns. esclusiva proprietà fino a quando non siano stati integralmente pagati. - Per qualsiasi dubbio o contestazione, o per qualsiasi richiesta di chiarimento, rivolgersi al nostro ufficio di via Bolognese 10, 40138 Bologna, da considerarsi inderogabile anche in caso di garanzia e contenzia di causa. - Qualunque condizione in deroga o comunque non contenuta nelle presenti non sarà valida, se non suonata da accordo scritto fra le parti contraenti.
